## FDC DONATE TIME FOR MANDELA

On the 18th July the country celebrated the life, birthday and humanitarian work of former President Nelson Mandela, by giving back and donating 67 minutes of their time. FDC heeded to the call by contributing towards buying essential food parcels for the Orphanage Home in Rocklands, Mangaung b on Friday the 31st July

Even though Mandela Day is special every year, this time it was slightly different due to the current challenges of the lockdown, COVID-19 pandemic and its restrictions. The pandemic has brought to the fore the ideals of Mandela, who embodied the spirit of care, selflessness, sacrifice and resilience as a nation. Now more than ever, it is important to reach out and bring a bit of hope to the vulnerable community members.

Thanks to the unfailing support of our staff members, the FDC has been able to make a difference to the lives of others.
