APPOINTMENT OF A DULY QUALIFIED SERVICE PROVIDER TO PERFORM SOURCING OF SKILLS AND ENTERPRISE DEVELOPMENT FUNDING AND PROJECT MANAGEMENT ON A RISK BASIS

1. OVERVIEW OF THE CLIENT

The Free State Development Corporation (FDC) is the official agency responsible for driving economic development in the Free State. Our mandate covers various functions such as enterprise development, property portfolio management, investment promotion and facilitation as well as export promotion. We align ourselves to the National Development Plan Vision 2030 call for faster economic growth, higher investment and greater labour absorption.

2. BACKGROUND OF THE PROJECT

A plethora of legislative, strategic and policy instruments have propelled skills development to the centre of government's overarching economic development programme. The FDC - as a public entity - is enjoined by the Medium-Term Strategic Framework to plan collectively with other organs of state and seek synergies as we respond to the very clearly identified development challenges, including the dual imperatives of enterprise and skills development.

The National Development Plan 2030 is the country's premier framework for our economic growth aspirations and devotes an entire chapter to education and skills development.

The Human Resources Development Strategy 2010 - 2030 has four strategic objectives, namely:

- Improving the foundations for human development;
- To improve the supply of high-quality skills which are more responsive to societal and economic needs;
- Increasing employer participation in lifelong learning;
- Supporting employment growth through industrial policies, innovation, research and development.

The FDC therefore is desirous to augment its internal capacity by appointing a service provider as a knowledge and delivery partner to design enterprise and skills funding proposals at scale and to project manage the projects pursuant to successfully sourced funding.

The appointment shall be for three years and effected on a risk basis with the service provider having no claim against FDC whatsoever for any resources invested in the pursuit of funding which ultimately does not materialise for any

reason whatsoever. The service provider must establish and operate a signature skills development unit, for and on behalf of FDC.

3. SCOPE OF WORK

The service provider shall perform these services:

- 3.1 Establish a signature skills unit for FDC and nominate its officials to operate it from the FDC premises for its own risk and reward.
- 3.2 Perform research to align enterprise and skills development opportunities with the overarching developmental agenda of the country and the Free State Province and its attendant legislative and policy mandates.
- 3.3 Design tailored skills funding proposals for the development of scarce, critical and priority skills for specific strategic projects or niche sectors.
- 3.4 Submit these proposals for approval to the FDC management and submit for consideration to pre-identified funders whose funding mandates provide for the nature and content of the funding proposals.
- 3.5 Provide a Turnkey Solution to FDC for the entire project cycle.
- 3.6 Prepare detailed monthly progress reports to FDC on the activities of the unit and to funders on the project implementation.
- 3.7 Design and implement a skills transfer plan that shall enable FDC to take over the management of the unit after three years if it so desires, at its sole discretion.

4. OUTLINE OF PROPOSAL

- 4.1 Perform an environmental scan.
- 4.2 Demonstrate an understanding of the applicable mandates.
- 4.3 Propose a methodology for the establishment and operationalisation of the proposed unit.
- 4.4 Provide financial projections for the three financial years 2017/18, 2018/19 and 2019/20.
- 4.5 Propose an Implementation Protocol between the service provider and FDC, including proposed partner roles and responsibilities.

- 4.6 Propose a cost model for the services to be rendered by the service provider.
- 4.7 Demonstrate the capability of the company to undertake a project of this nature, a proposed project team and their experience.

CERTIFICATE OF INDEPENDENT BID DETERMINATION

- 1 This Standard Bidding Document (SBD) must form part of all bids¹ invited.
- 2 Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).² Collusive bidding is a *pe se* prohibition meaning that it cannot be justified under any grounds.
- 3 Treasury Regulation 16A9 prescribes that accounting officers and accounting authorities must take all reasonable steps to prevent abuse of the supply chain management system and authorizes accounting officers and accounting authorities to:
 - a. disregard the bid of any bidder if that bidder, or any of its directors have abused the institution's supply chain management system and or committed fraud or any other improper conduct in relation to such system.
 - b. cancel a contract awarded to a supplier of goods and services if the supplier committed any corrupt or fraudulent act during the bidding process or the execution of that contract.
- 4 This SBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.
- 5 In order to give effect to the above, the attached Certificate of Bid Determination (SBD 9) must be completed and submitted with the bid:

¹ Includes price quotations, advertised competitive bids, limited bids and proposals.

² Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.
